6. **Pray for the Persecuted Church: INDIA| URGENT PRAYER FOR CHRISTIANS PRESSURED TO DENY JESUS** Christians in India are asking you to urgently pray over the next several days as some tribal believers are under tremendous pressure to go back to their previous faith. The threats are being made by a prominent organisation that represents tribal communities in Chhattisgarh state, one of the places in India with the most restrictive anti-conversion laws, laws that make it very difficult to leave your previous faith if you follow Jesus. Due to increasing social pressure, some families have expressed their willingness to undergo the Ghar Wapsi ceremony, while several other Christians are reportedly living in fear of a large-scale protests and forced reconversions. **Please pray:** Pray for the tribal Christians, especially new converts, who are undergoing immense pressure to reconvert to their ancestral religion. Pray they remain steadfast in their faith. Pray for the authorities as they make decisions, that they make act fairly and justly without bias or political influence. Pray they will be able to keep the peace and protect people of all faiths. Please pray for the churches in this region and for religious freedom. Ask that they will continue to grow in the Lord, gather freely for worship, and to stand with the converts and support them spiritually.
